PROQUEST ART, DESIGN AND ARCHITECTURE COLLECTION

RENOWNED ART,
DESIGN AND
ARCHITECTURE
DATABASES
ONE CONVENIENT
SUBSCRIPTION

Librarians can save time and effort managing individual database subscriptions with this collection of ABI databases, and journals in full text. By bundling renowned online resources into a single subscription, ProQuest's Art, Design and Architecture Collection gives users access to a comprehensive survey of arts research and primary source material, while allowing libraries to benefit from great savings on subscription budgets with fewer renewals to process. Researchers can conduct comprehensive arts literature reviews, access complementary full text, and cross search this specialist arts content on ProQuest for an efficient and rewarding research experience. The Collection includes:

- ARTbiographies Modern (ABM)
- Design and Applied Arts Index (DAAI)
- International Bibliography of Art (IBA)
- Arts and Humanities Full Text (AHFT)
- Avery Index to Architectural Periodicals available as an add on

ProQuest Art, Design and Architecture Collection offers superb value, with cross-searchable databases covering thousands of art and architecture titles, ensuring deep searches of extensive collections in subject areas not covered in more general databases—plus 400 full-text titles.
